

# Sustainable Wedding Ideas

- ♻️ Keep it simple by selecting a venue like the **VBCC** that can accommodate the ceremony & reception, eliminating travel between locations.
- ♻️ Choose a venue like the **VBCC**, that's rich in ambiance & beauty and therefore requires less decorating & enhancement, saves money & reduces your carbon footprint.
- ♻️ Replace cut flower centerpieces with potted plants that guests can take home & replant.
- ♻️ Give favors that can help the earth, such as a tree seedling or seeds to plant in guests' backyards ([plantmemory.com](http://plantmemory.com)).
- ♻️ Conserve paper for your "Save the Date" announcements by using [Evite.com](http://Evite.com) or create a fun video to send to your guests.
- ♻️ Take a tour of the **VBCC** & receive a FREE compact reuseable tote bag to use when you're out shopping & making wedding plans.
- ♻️ Recommend local hotels & restaurants that participate in the "Virginia Green" program to your guests.
- ♻️ Choose a sustainable venue like the **VBCC**, a "Virginia Green" certified facility, that has recycling & composting programs, donates food overages to local shelters, incorporates its own vegetables, locally grown & organic food into its menus & more.
